## **Social Media:**

### **Twitter messages:**

Historic preservationists, students, and practitioners--check out our 2013 Section 106 course schedule  
Good news for downtown Detroit development and historic tax credits  
ACHP will host a public meeting in MA; comments welcome  
Attention rightsizers (link to a blog)  
New members Teresa and Lynne  
ACHP endorses plan to support the United Nations Declaration on the Rights of Indigenous Peoples  
Salazar announces steps to promote historic preservation tax creds in depressed areas  
We're looking for Sec 106 Successes in your town! Read how to nominate a project  
Get involved to preserve your history! Important Latino theme study just published  
Indian Country Today and Chairman Donaldson's op-ed submission  
Earth Day: A good time to remember the importance of traditional cultural landscapes in hist. pres  
US and Spain will work together on National Park Service sites and shared history  
Want to work in historic preservation? The ACHP is now offering internships  
Great grant opportunity from our friends at the Nat'l Archives to digitize historical records

### **Twitter followers:**

The list of our 187 followers so far has shown some diversity. We cannot really tell who everybody is because people don't always use their photograph, but sometimes in their description they tell about themselves. We're being followed by a Japanese-American news organization (Nichi Bei Foundation of San Francisco); Joseph McGill a slave dwelling project; Lydia A an African American woman; Dale Glenwood Green, an African American man and professor; quite a few state historic preservation organizations; ndngenuity, a Native American woman; students; archaeologists, preservationists from everywhere, Alan Downer; Cathi, a Native American woman; Pacific Islands NPS; Historic Hawaii

### **Facebook messages/postings:**

ACHP Internship  
The Gilder Lehrman Institute is seeking applications for a new, exciting Created Equal project. We thought eligible organizations in the communities you work with might be interested  
Our friends at the National Park Service just published an important Latino Heritage theme study. Read about how to get involved with your heritage!  
Historic Preservation Month (May) is only a month away! What are you planning to do to celebrate in your community or school? Let's discuss and share ideas!  
Women in history tell many stories...  
Students in Texas, check this out! The Friends of Casa Navarro, in San Antonio, have announced the creation of the José Antonio Navarro Distinguished Student Scholarship.  
Interesting reading regarding youth in historic preservation: (about educating the next generation of preservationists)  
Our newest National Monument to explore and learn about! (Cesar Chavez story)  
Youth Summits are something we've supported for quite a while. Read on! (NPS youth summits)  
Engaging all Americans in historic preservation and appreciation of the National Park System is our goal, too. Read on! (about an NPS handbook)  
Being part of the original team for the Journey's vodcast history projects, the ACHP is proud to see the latest installment in this extremely enriching program. Enjoy! (about the new Manassas vodcasts, some minority students involved) How are holiday traditions preserved in your town, school, or community? What local history is important in your celebrations?  
In honor of Veterans Day on Friday, check out the service learning projects that students in Ohio have

done, honoring veterans through research and hard work. Educator Paul LaRue is an award-winning teacher who brings history to life.
